Good Morning [Nonresponsive based on revised scope]

Please try to select an RM for this job by Monday. I have no objections to [ ] being the RM

Please schedule a conference call on Monday with you, RM, chemist, and myself

I will provide a briefing and overall plans. I will prepare DWOs for [ ] visit and other work

As I previously mentioned, I would like to utilize Shiloh Church personnel to the extent possible since they are already here and have lodging. They would also be entitled to 100% per diem while working on this Site

We also could free up personnel here to go to the NC office to pick up equipment

Please consider these suggestions in your planning.

I can be reached all day today by phone at 804-337-3049

Thank you  
Chris
